

Know more about Aaranyak's activities during October 2016

[View this email in your browser](#)

October was an eventful month

In this month, Aaranyak's team celebrated Wildlife week in different parts of Assam.

We are also very proud to share that Purnima Devi Barman, who leads Aaranyak's Greater Adjutant Stork project, has been awarded with the prestigious Royal Bank of Scotland (RBS) Earth Hero Award, in the category of "Save the Species Award, 2016".

Congratulations to Purnima Devi Barman!

Aaranyak was honoured to participate in the 24th State Level National Children's Science Congress held at Dibrugarh University, from 13th to 16th October, 2016 and also took part in the 'Science Exhibition and Book Fair' held at John Berry White Kshetra.

Felicitation by Aaranyak

The Aaranyak family was very fortunate to receive Mr. Rathin Das as a guest on 24th October, 2016 at Aaranyak Office. Mr. Das, who started his bike tour from Kolkata with a target to travel all over India in just 90 days. His aim is to increase the awareness on conservation of biodiversity among the people of our society.

Improved Cooking Stoves for Villages of Manas

Manas Tiger Conservation Programme, with support from Assam Energy Development Agency (AEDA), is facilitating the construction of Improved Cooking Stoves in about 20 households of Bamunkhal- a fringe village of Manas National Park to decrease the number and frequency of people who visit the Manas National park to gather firewood.

“Rhino goes to School, 2016” an initiative by Aaranyak

To spread awareness on Rhino, an initiative by Aaranyak, “Rhino goes to School” was recently organized in 5 different schools in the fringe villages of Eastern Kaziranga National Park. The program was held from 15th to 22nd October, 2016.

Thank you for taking the time to go through our Newsletter!
We are grateful for your constant support and encouragement towards our work. We will strive to keep you updated of our activity highlights, through regular Newsletters. You can also know of all our events and programmes by visiting our [Facebook](#) page.

Aaranyak fosters conservation of biodiversity in Northeast India through research, environmental education, capacity building and advocacy for legal and policy reforms.
