February was a busy month

We are proud to share that in this month Aaranyak is being recognized as a Research Centre of Dibrugarh University and establishment of a close linkage and functional coordination in the direction of joint undertaking and supervision of research projects, training and consultancy.

During this month, our team celebrated World Wetland Day in different areas of Assam on 2nd February 2018.

At Abhayapuri
At Koklabari

Read on for details of all our other activities during February.
**Orientation Workshop on Climate Change**

To sensitize community leaders on adverse impact of Climate Change, Aaranyak in collaboration with Assam Science Society of North Guwahati Branch & North Guwahati College, with support from Assam Science Technology and Environment Council organized a day long workshop on Climate Change at North Guwahati College on 27th January 2018.
